Hi Tracey -
Neil Kaufman (HHS mediator) told me to email you regarding a "facilitated dialogue" I assume to be related to the FDA/AAFCO Memorandum of Understanding (he didn't share what this would be related to). You can let me know how we proceed.

Hi Susan – Yes I will be working with you to set up a face to face dialogue/meeting in Rockville. What is your availability during the weeks of July 8th and 15th? Kind regards, Tracey

Would it be necessary for me to travel to Rockville? Can this be done via conference call?

Hi Susan – I think we would prefer a face-to-face meeting/dialog but I understand that there are costs involved with you traveling. I will get back to you next week with some options. Kind regards, Tracey

Hi Tracey -
I spoke with my attorney, and she would be willing to travel with me to DC (Rockville) for this meeting - our best date would be either July 10th or 11th. You can let me know which date and the time frame of the discussion in order for us to make travel arrangements.
