The Food and Drug Administration (FDA) has received your Freedom of Information Act (FOIA) request for records regarding:

FEED, PET FOOD INGREDIENTS AAFCO 2017 11/01/2017 - 11/27/2017

Original Subject: Records requested are definitions of all feed/pet food ingredients, which includes the common ingredient name, description, and any appropriate limitations for its use. These records are published in the AAFCO 2017 Official Publication under a Memorandum of Understanding agreement between FDA and AAFCO. Should the 2018 AAFCO Official Publication definitions be currently available to FDA, the 2018 definitions are requested.

We will respond as soon as possible and may charge you a fee for processing your request. If your informational needs change, and you no longer need the requested records, please contact us to cancel your request, as charges may be incurred once processing of your request has begun. For more information on processing fees, please see <http://www.fda.gov/RegulatoryInformation/FOI/FOIAFees/default.htm>. If you have any questions about your request, please call Rochelle A. Coleman, Information Technician at (301) 796-8982 or write to us at:
